C. D. HARDY IS MAN FAMILIAR WITH SUBJECT

Speaker Before Chamber of Commerce Monday Evening Has Had Wide Experience.

C. D. Hardy, who will be the speaker for the second monthly dinner of the Chamber of Commerce at the Y. W. C. A. rooms Monday night has had quite an interesting business career. After graduating from college at Mitchell, S. D., he spent two years in post-graduate study at Northwestern university. Until June 1, 1920, he was engaged in the profession of teaching and lecturing before audiences of various types, educational, business and chautauqua. On June 1, 1920, he entered the department of public relations of Swift & Co. As a

representative of that institution he has been addressing audiences on themes connected with business and business conditions. Recently he addressed a luncheon convention at Asheville, N. C., and the Rotary club of Charleston, Savannah and Columbia, S. C.

Mr. Hardy brings to his work years of training and experience in expressing himself on the public platform. He makes a sincere effort to get accurate and adequate information upon every subject about which he speaks. He believes in being fair to business and

business men. In his talks he puts emphasis on fundamental facts, too often overlooked in times of unrest. His message is sane and progressive. Mr. Hardy's subject Monday will be "Some Business Fundamentals." He should be heard by every man. The dinner is open to the public as well as the Chamber of Commerce membership, their wives, friends and families.
